NEWS RELEASE

TRIBUNE AND THUNDER SWORD RESOURCES TO PROCEED WITH SUMMER DRILL PROGRAM AT BOTHAM LAKE, ATHABASCA BASIN, SASKATCHEWAN

April 4, 2007 – Vancouver, B.C. – Tribune Resources Corp. ('Tribune' or the 'Company') (TSX.V: TCB) is pleased to report that following its joint venture partner Thunder Sword Resources receipt of encouraging results from Patterson Geophysics on the ground geophysics and gravity survey on its Botham Lake prospect, the Company is now proceeding with Thunder Sword to secure drilling contracts and proceed with an estimated \$1 million summer drilling program at Botham Lake. The details of the drilling program will be forthcoming once the program has been finalized.

Forward Looking Statements

This News Release may contain forward-looking statements including but not limited to comments regarding the timing and contents of upcoming work programs, geophysical, geological interpretations, etc. Forward-looking statements address future events and conditions and therefore involve inherent risks and uncertainties. Actual results may differ substantially from those currently anticipated in such statements. Thunder Sword Resources relies on litigation protection for forward-looking statements.
