April 18, 2007 – News Release

## **TRIBUNE RESOURCES AND THUNDER SWORD INITIATE DRILL PROGRAM AT BOTHAM LAKE, ATHABASCA BASIN, SASKATCHEWAN**

Tribune Resources Corp (TSX-V: TCB) reports that its joint venture partner Thunder Sword Resources Inc. has secured the necessary contractors to proceed with the stage one drill program on its Botham Lake prospect, Athabasca basin, Saskatchewan.

The program will be initiated in May 2007 through August 2007, and will consist of the company defining target drill locations. These locations will be identified by management and third party advisers having regard to historical, airborne and ground geophysical data obtained by the company to date, and as identified by conductors in the four earlier established grids (grids B1, B2, B45 and B79). The airborne conductors, as noted in earlier releases, are quite apparent on all four grids. In addition to these strong airborne conductors, secondary (and tertiary, on B1) conductive trends were identified on follow-up ground geophysics which were not apparent from the airborne data.

The phase 1 drilling of the target areas is expected to commence on or about August 1<sup>st</sup>, 2007, and will consist of a 4,000-metre drill program. The cost of the program is estimated to be approximately \$1-million and will be financed by Tribune Resources as part of its \$1.5-million 2007 expenditure program required under the joint venture option agreement currently being negotiated with the company.

### **ABOUT TRIBUNE RESOURCES CORP.**

Tribune Resources Corp. is a Canadian exploration company specializing in the acquisition of Uranium (u3O8), silver, and gold properties. Guided by a strong management proficient in raising money for junior mining initiatives, the company has amassed a strategic position in the Saskatchewan Athabasca Basin. Tribune's current focus on Uranium exploration is fueled by a strong demand for the heavy metal. Tribune has a land position of over 40,000 Hectares in close proximity to Cameco's new Centennial Zone discovery. The company headquarters are in Vancouver and shares are traded on the TSX Venture Exchange (TCB) and the Frankfurt Exchange (S8QA). For more information on Tribune, contact Graham Harris at 604-662-8183 or at [info@tribunerresources.com](mailto:info@tribunerresources.com).
